Subject: Intro and Human Neuro
Attachments: 071913revisedneurointroandhumanAK.docx

Hi Glinda,

Please see my first pass at revising the human neurological effects section, based on the reviewer comments. I have also revised the introductory materials and methodological considerations, which may be relevant to Barbara (e.g., reproductive effects).

These changes are likely to be expanded (within my section), but please provide any comments you feel are appropriate.

Thanks and Happy Friday!
Andrew
